

PRIVACY POLICY

GENERAL

This website may collect personal information from some Users. Because the REXEN respects the privacy of its Users and their personal information, it has established the Privacy Policy to protect your personal information.

INTELLECTUAL PROPERTY RIGHTS

The Website and its entire contents, features and functionality (including but not limited to all information, software, text, displays, images, video and audio, and the design, selection and arrangement thereof), are owned by the Company, its licensors or other providers of such material and are protected by copyright, trademark, patent, trade secret and other intellectual property or proprietary rights laws.

These Terms of Use permit you to use the Website for your personal, non-commercial use only. You must not reproduce, distribute, modify, create derivative works of, publicly display, publicly perform, republish, download, store or transmit any of the material on our Website, except as follows:

- Your computer may temporarily store copies of such materials in RAM incidental to your accessing and viewing those materials.
- You may store files that are automatically cached by your Web browser for display enhancement purposes.
- You may print or download one copy of a reasonable number of pages of the Website for your own personal, non-commercial use and not for further reproduction, publication or distribution.
- If we provide desktop, mobile or other applications for download, you may download a single copy to your computer or mobile device solely for your own personal, non-commercial use, provided you agree to be bound by our end user license agreement for such applications.

TRADEMARKS

The terms REXEN, the logo and all related names, logos, product and service names, designs and slogans are trademarks of the Company or its affiliates or licensors. You must not use such marks without the prior written permission of the Company. All other names, logos, product and service names, designs and slogans on this Website are the trademarks of their respective owners.

COLLECTION OF INFORMATION

Information You Provide to Us

We collect information you provide directly to us. For example, we collect information when you create an online account, post messages to our forum or wikis or otherwise communicate with us.

The types of information we may collect include your name, email address, username, password, location and any other information you choose to provide.

INFORMATION WE COLLECT AUTOMATICALLY

We automatically collect certain information about you when you access or use our Site or transact business with us, including Log Information. We collect information about your use of our Site, including the type of browser you use, access times, pages viewed, your IP address and the page you visited before navigating to our Site.

Information Collected by Cookies and Other Tracking Technologies: We may use cookies, web beacons (also known as “tracking pixels”) and other tracking technologies to collect information about you when you interact with our Site or emails, including information about your browsing behavior on our Site. We use this information to improve our Site and your experience, see which areas and features of our sites are popular, count visits, understand campaign effectiveness and determine whether an email has been opened and links within the email have been clicked.

INFORMATION WE COLLECT FROM OTHER SOURCES

We may also obtain information about you from other sources and combine that with information we collect about you.

WEB BROWSER COOKIES

Our Site may use “cookies” to enhance User experience. User’s web browser places cookies on their hard drive for record-keeping purposes and sometimes to track information about them. User may choose to set their web browser to refuse cookies, or to alert you when cookies are being sent. If they do so, note that some parts of the Site may not function properly. Learn more about the way our Site may use cookies in our Cookie Policy.

HOW WE USE COLLECTED INFORMATION

While using our Service, we may ask you to provide us with certain personally identifiable information that can be used to contact or identify you. Personally, identifiable information may include, but is not limited to, your email address, name, phone number, other information (“Personal Information”).

REXEN may collect and use your personal information for the following purposes:

- To provide customer services;
- To analyze your account activity in order to provide you with an adequate and reliable service;
- To offer you the best possible options suitable for your needs.

We will ask User's consent before using collected information in other purposes.

We store collected information for as long as it is necessary to provide products and services to you. Information associated with your account will be kept until your account is deleted, unless we no longer need the data to provide products and services.

LINKS TO OTHER WEBSITES

Our website may contain links to other websites of interest. However, once you have used these links to leave our site, you should note that we do not have any control over that other website. Therefore, we cannot be responsible for the protection and privacy of any information which you provide while visiting such sites and such sites are not governed by this privacy statement. You should exercise caution and look at the privacy statement applicable to the website in question.

MARKETING

REXEN would like to send you information about products and services of ours if you have consented to receive marketing.

You have a right at any time to stop us from contacting you for marketing purposes and opt out later. Sharing your information

REXEN sometimes need to share personal information we process with third parties. Where necessary or required we share information with:

- family, associates and representatives of the person whose personal data we are processing;
- financial organizations;
- credit reference agencies;
- debt collection and tracing agencies and other companies in the same group;
- suppliers and services providers;
- central government;
- law enforcement and prosecuting authorities;
- ombudsmen and regulatory authorities;
- courts and tribunals.
